Hello Tinka,

I am following up on discussions we had with you last summer regarding Aquila Resources Back Forty Project in the Upper Peninsula of Michigan. As we discussed in July, we are hoping we can schedule a follow up meeting you and your staff to debrief you on the project that we are seeking to permit with the MDEQ. Permit applications were submitted to MDEQ last week. Would you have any time available on December 3<sup>rd</sup> or 4<sup>th</sup> to meet at your office in Chicago?

Please advise.

Steve
